ACHIEVMENTS

Design Registration

One of my packaging designs has been chosen for registration under IPR (Intellectual Property Rights).

Packaging of the World

My packaging design is published at packaging of the world, one of the biggest packaging designs collective.

Symposium

Was one among 14/108 students selected to present my research abstract on my publication project name Lost Recipes of India.

SOFTWARE SKILLS

Adobe Photoshop	Adobe Premier Pro
Adobe Illustrator	Figma
Adobe Indesign	Blender
Adobe After Effects	Microsoft Office

ABOUT ME

Hello there!
My name is Niharika Bedse, and I'm a Visual Designer studying at UID, Gandhinagar.

I aspire to grow in the field of Branding, Packaging, Publication, and UX/UI design. I enjoy designing and looking into minimalist designs because I believe that the simplest things have the most impact.

With an eye for detail and a knack for curating interesting designs that leaves an impression, I am eager to offer my skills to the growth of your company.
